

## **Survive, Thrive, Die. Law in End Times**

**2019 Law and Society Association of  
Australia and New Zealand conference**

**School of Law and Justice  
Southern Cross University, Gold Coast Campus**

**5-7 December 2019**

Social upheaval, political uncertainty, the end of history, or climate collapse: increasingly, such narratives seem to justify the *state of exception* in a plethora of contexts, slowly eroding the idea that social, political, and environmental stability can ever be achieved through the rule of law.

The conference invites socio-legal scholars to re-imagine the question of law in the face of the 'end times'.
